About Parchment Inc.

Parchment's mission is to unleash education credentials by unlocking the critical data they embody. A credentials data company, with institutions and corporations around the world helping people collect, promote, and share their education in simple and secure ways. At Parchment.com, students can research colleges and discover their chances of admission, see how they compare with peers, get college recommendations, and send official transcripts when they are ready to apply. The Company's Software-as-a-Service (SaaS) offering, Docufile by Parchment™, is the leading transcript exchange and intelligence platform.
